## Secretary's Report

Another busy season, with the Club having played 216 games in all. The highlight has been the runners-up spot for the Adults Third Team, plus their two Cup Finals, of which they have lost one 3-2 with one to come. Also a runners-up place for the Under Tens in their first season.

The Under 13's have had what you might call a mixed time! The Reds started strongly in the League, including a 5-1 win over the eventual Champions Sundon Park (and a 2-2 draw in the away fixture), but they fell away from the pace in the New Year with some disappointing defeats. They finished strongly, however, with good wins over Markyate, Barton Rovers and Copenhagen Colts and could do well next year.

By contrast, the Blues have struggled all season and it is a credit to the boys and to Peter that they managed to complete their fixture list. Some have complained that we should not have run two teams at this age group, but you have to remember that only 11 boys can play each week and so many lads would have missed out on a game if we had only run one team. Besides, winning isn't everything!

My thanks go to Godfrey, Peter, Graham and Bob for their work with the youth teams and all the great fund-raising work they have done off the pitch.

The First and Second teams knew they would have tough seasons, after both being promoted last year, and so it proved. Both teams went through reasonable spells and showed they could hold their own, but unfortunately both also had bad periods when they did not perform. It was also unfortunate that the First Team finished badly, with a run of defeats and a lack of spirit at the end.

Congratulations to all those who picked up a medal and good luck to all for next season.

Steve Smith

## LEA SPORTS RESERVES

## END OF YEAR REPORT 1998 – 1999

What a season! Only one team in our Division took four points off us and that was Moat House Reserves who did what most Reserve teams do - ourselves included - and used four 1<sup>st</sup> team players in the first game against us.

Saying that, on a number of occasions I used the 3<sup>rd</sup> team lads and once again whilst we had the likes of the “old stagers” (my thanks to Paul, Archie, Phil and the others), we didn’t lose with them in the side. Archie insisted that class always counts! Nothing to do then with Phil’s two hat-tricks in two consecutive games!!

Still enough of 1<sup>st</sup> Team and 3<sup>rd</sup> Team players. Now to **my** Team, and I’ve decided to mention the highlights of an interesting year.

**ER !**

**ER!**

**Yes, I remember a couple;**

(a) One Sunday I had eight players unable to play due to injuries, work, going shopping etc., etc. As can be imagined the team was not the strongest and we didn't do ourselves any favours that week.

(b) Last game of the season beating AFC Oakley who were top of our Division. This was achieved without any 1<sup>st</sup> Team or 3<sup>rd</sup> Team influence. Perhaps gentleman we should all reflect on what **we** could have achieved this year with more consistency in our performances and yes, once again consistency in the players each week.

(c) Beating AMC and that smart-arse that plays up front.

(d) Reaching round 3 of the Herts Junior Cup and the Reserve Cup.

(e) Having a real good Piss - Up after the last game of the season.

No more highlights come to mind, other than the excellent team spirit that came through towards the end of the season seeing us win four of the last six games, scoring 17 goals for and letting in 9.

I will say the one thing I always looked forward to on a Sunday morning was the piss take and banter in the changing room; the continual shouts of "Rozzer" from Foxy; "no Tashe", and " Oh no Dave's in goal again" from everyone.

I am glad that you all respect the Manager - it is **so helpful** on the pitch.

*A serious word now:-*

My thanks go particularly to Lee Jones, without whom I wouldn't still be here next season - sorry lads - yes I am staying - it's Lee's fault - blame him!! Seriously, I would like to thank him for all his help this season.

*Lastly I intend listing all the "regular" players:-*

<b>NAME OF PLAYER</b>	<b>MANAGER'S COMMENTARY</b>
Dave Lindley	Very Regular - Has a dump twice a day. Yes, I know - I was Crap!!
Chris Bryant	Shaky start - good finish - Superb own Goal. You didn't think I would let you get away with it did you Chris?
Lee Jones	Promising goalkeeper! Well he promises to be there and most times he is.
Neil Treanor	What can I say. Total commitment, but what a waste, Neil you are a fool to yourself.

**NAME OF PLAYER****MANAGER'S COMMENTARY**

Paul Haynes	The calming influence and mid-field general, until old age stuffed him.
Paul Jones	Poor start, much better finish, school report would say - could do better!
Gary Hyde	What can I say? Well he's an Arsenal fan - enough said!
Andy Barron	Another one of the "oldies", lots of injury problems, but he rarely missed bringing one of the opposition down in every game.
Andy Brown	A welcome return to the team - how did you ever see to head the ball? Did you ever head the ball?
Martyn Brown	The other half of the partnership - 100% effort every game. How did you score all those goals (even in games when you weren't there)?
Russ Ner	Number 69 and Number 11 preese. Lack of effort sometimes showed through.
Chris Morris	Who is he?
Mick Chesney	Who is he?
Ash Burgess	The usual good classy start, and the usual "Oh Shit" it's Christmas and it's muddy and cold, finish.
James Crook	Would have got my vote for Plonker of the year, if we had the award. I think you have paid more in fines than you did in subs!
Paul Redmond	The Guinness obviously does wonders for you. Shame about the hands that obviously go backwards on an Irish watch.
Darren Campbell	Utility player. What every Manager wants - someone who will play any place, anywhere, any time, as long as it's Darren's time. Please stop blaming Treanor and Jonesy for being late.
Stuart Fox	A regular once or twice a month player, who loves Police Officers.

No report can ever be complete from any Manager at this Club without thanking Steve Smith for what he does. The great percentage of the players never see the effort and time that Steve spends on behalf of us all.

It **is** appreciated Steve - without you there wouldn't be a Lea Sports FC.

Lastly, thanks to Julia, my wife, for answering the phone many times on a Sunday morning and being so pleasant when so pissed off, to the players.

**CHEERS!!**

**Dave ( The Cat ) Lindley.**

## ***Fourth Team Report 1998-99***

First of all I would like to thank Steve Smith, Steve Baggett, Dave Malvern and Steve Middleton for their help and support during the season. This season has been harder than the previous ones because at times there haven't been enough players. I would like to thank the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> team players who played for the 4ths this season; there have been a few and the majority of requests were accepted.

I hope the game against Railway Tavern hasn't put people off playing again. If you speak to the Third team you will hear the same story in their Cup Final. The usual players returned: Steve Middleton, Al Palmer, Steve Grimes, Dave Malvern, Owen McKee and Craig Brooke have all been involved with the 4<sup>th</sup> team for a number of seasons. Eddie Johnson, Martin Davern and Dave Newman played for a second season and Paul Dubal, James Gentle and Michael Kane joined us during the season. If everyone had been available every week we could have finished even higher in the League.

We played below par in a couple of games and needlessly threw some away. One that springs to mind was the midweek 3-3 draw against Bramingham, which we let slip from 3-1 up. Also the semi-final against Dunstable Drivers when we did all the hard work in the first half: 2-1 down against the wind downhill. Then in the first 5 minutes we failed to clear a corner and went 3-1 down, eventually to lose 3-2.

Then I can remember the games against Icknield Rangers, when we won 2-1 against the league leaders. We played well and deserved the victory. And a great come back against Luton Rangers in the Cup, when we came from 2-1 down to win 3-2. We beat Enterprise twice, once with 10 men, but lost both games vs. Sun Inn. What a contrast. Anyway, on a personal note, it's been a pleasure knowing the players because they're a good bunch of lads. I hope they continue playing and winning.

*Anyone who saw the Fourths' match vs. Railway Tavern, or the Thirds Cup Final against the same opposition, will know how delighted Steve Baggett must be that his injury-time equaliser against that bunch of psycho's prevented them from winning Division Two by just one point.*

*Hard Luck, lads!!*

This year saw the Under Thirteen section being split into two teams. This at first caused some unhappiness with both players and managers. The Under 13 Reds had a good start to the season and over the season have had some very good results. A short cup run gave us the chance to 'concentrate on the league'. I have been very impressed with the way we have developed and some key players have been coaching the less able. This is what we had hoped to achieve – a balanced, well-disciplined team performance.

However, due to some key players moving to other clubs and others picking up injuries, we under-achieved midway through the season. The squad now is one which has moulded together well and has built a strong foundation for next season.

Football is for fun and I hope you are all enjoying the games. It is better to win, but we all know you can't win all of the time. I would like to thank the parents for the help they have given me throughout the season and with our tour of HOLLAND being a major achievement this season, we all look forward to success in the years to come.

### Season 1998 / 99 review

#### The first season

Well , what a season ! 6 games in to the season and we'd lost 5 games , conceding 26 goals . Little did we know that we'd go through the whole league campaign losing just 4 more games , and finishing with 8 straight wins to clinch a well deserved runners - up position. In fact , we ended up just 1 point from top position.

So what made the difference ? We'd like to think it was some shrewd tactical decisions coupled with a strict training regime. The boys will tell you that it was their hard work paying off and their skill coming to the fore . In truth , it was probably a mixture of all these , plus some slices of luck along the way.

#### The highlights

Like all good review programmes , perhaps we can take this opportunity to remind you all of a few season highlights ; ones that will certainly remain with the both of us for a long time :-

- Winning 7-0 at Dunstable on a frosty November morning , Matthew scoring 5 of them.
- Beating Leighton United 7-2 at home , Jack scoring a belter from the edge of the area
- A 5-0 victory over Barton Rovers - the match with the irate linesman
- A last minute winner from Scott to beat Sundon Park 2-1
- Jermain's hat-trick against St. Marys in a 5-2 win. (after being 2-0 down)
- The 1-0 win away at Sundon Park and Adam's last minute penalty save
- Jamie's 'goal of the season' from near the corner flag at Harlington
- Martin's last minute winner over at Barton - that linesman wasn't happy again !!!
- James' goal against Leighton Corinthians

We could go on , but we're sure everybody has their own favourite moment.

## The summary

In summing the season up , we think it's fair to say that as a team , we've come a long way since last September. We've scored more goals than any other team and if you exclude the away game at EBE Lions , one of the best defensive records in both divisions . As for the midfield , both as a unit and individually , they've improved beyond recognition .

But like any good team , you need quality players to come in when others are missing. Every boy who's been a substitute this season has been absolutely superb ; always turning up even if they hadn't played the week before . It's true to say that if we didn't have these boys , we wouldn't have a team . For our money , these guys are the real 'players of the year'.

## The thanks

Finally , some thanks to all the important people that made up a great 9 months :-

- Karen and Belinda for putting up with us spending so many hours on the phone .
- Geoff for the camera work !
- Rennie for pacing up and down the touchline geeing the boys up .
- Roy, Nick and Rob for doing the honours with the nets.
- All the kit washers .
- All the parents who provided transport for the away matches. The huge convoy of vehicles we had usually meant we had more support than the home side !
- And of course Steve Smith and Lea Sports for giving us the opportunity to run a team in the first place.

Thanks everyone and see you for some more of the same next September.
