President's Report

A Sad End to a Sorry Season

So we come to the end of what was officially the wettest season ever. In that sense I suppose we can all look back and say we were a part of history. In all other respects the season was eminently forgettable.

The problems began even before the season did. The South Beds League, obviously still seething at having lost a Beds.F.A. tribunal to Lea Sports, decided to get their own back by excluding us from the league on a technicality. The league secretary hung up on both Steve Baggett and myself and refused even to discuss the situation. This is one of the rudest men in local football and I hope his path and mine do not cross again.

We were helped out at the last minute by the Luton Sunday League, who agreed to accept our 3rd and 4th teams into their league. In return we agreed to host two of their Cup Finals at the end of the season - a decision which was to come back and haunt us later. The Luton Sunday league itself was an administrative disaster this year - no league directory, hardly any referees, constant changes to fixtures and generally poor administration. Also, the 4th XI lasted two matches before folding.

The weather, of course, was the main disrupting factor. Players turning up in the hope of getting games played, only for matches to be called off at the last minute after another deluge. It was a nightmare season for Steve Baggett to take on the roles of First Team Manager and Secretary - I remember him telling me that one Saturday he had to make well over 30 phone calls after matches had been cancelled or rearranged at the last minute. He had trouble keeping track of the fixtures and it meant that information was slow in coming back to me to compile the data in this brochure. I had no idea usually which games had been played and which hadn't and I haven't seen a league table for any league all season.

The North Home Counties finally gave up the ghost in April and called a halt to the league programme with over 300 matches still outstanding. They said they had 'no hope' of finding enough pitches and referees to get the games played. Strange then that at their AGM they still decided to promote some clubs and, worse still, relegate others based on a very incomplete season. It seems that the NHC still has a way to go to get things right.

The youth teams fared little better. At one time the Under 15 Reds had played so few matches that it was a real struggle to keep players interested and stop them going off to play basketball or golf or something else! In the end the league programme at Under 15 was completed, but results were in the end so distorted that league placings meant very little. The Under 12's league was curtailed and the league cups were abandoned altogether.

I should give a mention to the Saturday team. Steve Blackhurst and Jim Betts take a very serious approach to their jobs; the team finished its league programme at the end of May and had a good run in the Herts County Cup. Next season they will be running a Reserve side and it is good to see the team thriving.

Talking of cups brings me back to the Luton Sunday League Cup Finals, played in Pirton on Sunday 24th June. Unfortunately, the first of the two finals scheduled for the day included a Turkish team called Three Crescent (who had defeated our 3rd team in the semi-final). This team and its supporters seemed intent on having a day out in the countryside and causing trouble. They broke an opponent's leg in the match (thus causing an hour's delay in proceedings); had two players sent off; threatened to strangle a linesman with the ribbons from a loser's medal and caused disturbances in the crowd. If County Associations are to do anything for local football it should be to get rid of trash like this. With no support from the league officials present, this was the final straw for Steve Baggett and shortly afterwards he wrote to me saying he wanted nothing more to do with Lea Sports or local football. At the time of writing (mid July) he has shunned all contact with any official of the club. This really is a sad end to the season as Steve has put so much into this Club over the years and he will be very sorely missed for his efforts.

Off the pitch the Club has continued to splinter, with each team becoming more independent of the others. Whilst this was perhaps an inevitable consequence of the move to Pirton, it is still sad that we can't manage to organise any social events (with the notable exception of a few successful youth quiz nights); even the Annual Awards Evening failed to get off the ground and, if memory serves me correctly, there were just 3 non-committee members at the AGM.

At the end of the 1990-91 season, the First Team finished half way down Division 3 - Phil Thompson was top scorer with 27 goals - the Reserves finished half way down Division 7 - Neil Hebron was Manager's Player. At the end of the 2000-01 season, the First Team finished half way down Division 3 - Phil Thompson was top scorer with 25 goals - the Reserves finished half way down Division 5 - Neil Hebron was Manager's Player. Have we come very far in ten years?

Local football is struggling in general. Referees are in short supply and who can blame them bearing in mind the succession of FIFA 'improvements' to the game and the lack of any respect they now command. Leagues are beginning to restrict new membership because they can't cover games with a ref. The North Home Counties will ban all new Clubs from next season until they have slimmed down to 66 teams. Luton Town are also back in the basement division, which is where they were when I started supporting them 35 years ago. It seems that the football wheel has turned full circle and it is a good time for me to back off. I'll still retain some interest of course. There's still the Premier League Competition (please have a go this year!) and I'm sure I'll wander down to the Rec to watch the odd game, but the Club must find new blood and a new way forward. I wish it - and all of you - well for next season.

Second Team Report

The word which most clearly comes to mind when thinking back over the season is **impotence**. There was all that potential for real excitement but when it came down to the business things went rather flat! Perhaps even worse was having to suffer the frustration of being prematurely castrated, knowing that our pent up desires would not be satisfied. So just like the season this report will be short and could even be truncated in its prime!

The low point was a 1 –9 drubbing by Wigmore - the worse performance by any Lea Sports side I have ever been associated with.

Happily several high points have erased the memory of that defeat.

- For sheer commitment it's hard to beat Rick. Having broken both a collar bone and a thumb colliding with a post in a desperate attempt to score he remained on the pitch to see the game out.
- For unrivalled sense of timing you can't beat Geordie (nor can the attacker on the ball!). His arrival record is at least as good (or bad) as Virgin rails.
- For team spirit it's got to be our performance against Celtic Reserves who were more than flattered by the final score of 3 – 0 in their favour.

Thanks to everyone concerned for their support.

Archie Conway

Under Fifteen Blues Report

Before the season started things were looking good, with plenty of players and Neil Hadden and Pete Skingley running things. Then it all went downhill from there. Neil quit due to work commitments, so I came along and gave Pete a hand. Things ran smoothly for a couple of months, then Godfrey resigned as Manager of the Reds.

Pete took the Reds over, plus some of the Blues players just to keep the team going until the end of the season. I took over the Blues, signed a few players and things are beginning to look brighter for the coming season, iof we can keep the team together.

Craig Shortland

Under Twelves Report

This season proved to be a real mixed bag for us. When we were good we were very good, but when we were bad we were awful. Finally finishing in sixth place was a true reflection of the season. To finish higher would have flattered us, to finish lower would have been an injustice. At least we know our Achilles heel is defending, reflected by the goals against tally. There is great room for improvement in that department before the start of next season.

The highlight of the season had to be the away win at Sundon Park. We were awesome!

The lowest ebb would be the away game at Flitwick, throwing away a 4-1 half-time lead, ending up losers by 7 goals to 5; and our worst-ever league defeat in a totally inept performance in the final game of the season at home to Sundon Park, whom we had comprehensively outplayed the week before.

There are some promising signs to take encouragement from for next season, but our biggest problem still remains to be players not being mentally prepared for every game. Without the right attitude we will not succeed. Winners work hard for their victories and we have to work hard for ours too.

Thanks to all the back-room boys and girls. Belinda, for all the flak she has to take when we don't win. Sandra, for all the help through the season. Roy McSkimming, for the help at training and running the line. Gareth, for doing likewise. Rob, Roy H and Graham Norwood, for their assistance at training and from everyone at the Club a big THANK-YOU to Claire for doing the Bacon Butties.

Special thanks to Steve Smith and all on the Lea Sports Committee for supporting us again.

Thanks

Bob Smith
